

Dear Sirs,

I am afraid that "We the people" are about to lose ANOTHER freedom, a freedom that MAY cause serious damage to our ability to communicate freely, to assist in emergency situations and to expand our knowledge and skills in communications and experimentation into FUTURE technologies similar to those we have today. Those of which have come about due to the question.. "What if...?" expressed by "HAMS" from the past. Once we have lost this AIRWAVES mode of "FREEDOM OF SPEECH", then this could assist those that INTEND to take away other freedoms such as "FREEDOM OF SPEECH", "FREEDOM OF RELIGION" and "THE RIGHT TO BEAR ARMS"! I am very concerned that freedom in AMERICA is at stake! I feel strongly for the continued use of the airwaves by anyone in a free nation anywhere... especially in our SO-CALLED "FREE NATION"! Money should not be your guide in such things, but the blood that was spilled worldwide in order for these freedoms and rights to exist here! YOU TOO are AMERICANS... DO NOT GIVE IN TO THE MONEY GOD!

Standing up for our nations freedoms and righteousness,

Sincerely,  
Vito Joseph Toto
